**Department of Automotive Engineering**

**Venkat Krovi, Dhruv Mehta & Sumedh Sathe**

**TurtleBot3 Acknowledgement**

**(Due: Thursday, 9th February 2023)**

I, [Chinmay Samak](#) representing Team [1](#) for AuE-8230 SP'23 course formally acknowledge the following: 1. My team has received the TurtleBot3 Burger hardware in working condition (new/prebuilt). 2. In addition to the robot, we have received auxiliary components like adapter, charger, batteries, and toolkit. 3. On behalf of my team, I acknowledge that the TurtleBot3 robot, and the auxiliary components are to be returned to the TAs (Dhruv & Sumedh) at the end of the semester in similar condition that we received them. 4. Our team understands the liability in case of damage to hardware or otherwise.
